

## **WARRANTY**

LACAVA provides a Limited Lifetime Warranty on its faucetry. This warrants any faucet, installed in a residential application, to be free of defects in material and workmanship for as long as the original consumer owns his or her home. Any product installed in a commercial application is covered under warranty for one year. LACAVA warrants all other products to be free from any defects in materials or workmanship, during normal residential or commercial use including all hinges, drawer slides, finishes, and general workmanship of the item for a period of one year. LACAVA warranties do not cover normal wear and tear, damages due to negligence, faulty installation, improper alterations and repairs, improper cleaning and care, or damages due to uses of the product other than its intended and normal use. If a defect is found under normal use, while under warranty, LACAVA will repair or replace the product (whichever cost is smaller to LACAVA) at its own expense (excluding installation charges). Under no circumstances is LACAVA responsible for installation/service fees or any dollar amount beyond the cost of the item. In addition, all LACAVA products are to be installed by experienced professionals properly licensed and bonded; otherwise, any LACAVA warranty and liability is to be considered waived. All warranties are non-transferable and proof of purchase is required for any warranty claim.

In accordance with the laws of limitation and exclusion state by state, and therefore provided the duly exceptions, LACAVA will not be held liable, in any event, for any special, indirect, incidental or consequential damages or losses (including but not limited to damages for loss of business, loss of profits, etc.) for breach of contract, tort (including negligence), product liability or otherwise, even if it has been advised of the possibility of such damages. LACAVA's liability on any claim (including negligence) will not in any case exceed the contract price paid by the original purchaser for the product claimed defective or unsuitable. It is the responsibility of the homeowner to ensure that all installed fixtures comply with all local plumbing codes.
